Classification: Stopping the Violence Counsellor Grid Level: 14 Paraprofessional

The STV Counsellor provides one-on-one counselling and group programming for women experiencing relationship violence and/or childhood trauma and abuse.

All staff and volunteers of SARA demonstrate a commitment to the mandate, vision, values and philosophy of the SARA for Women Society.

Reports to: Manager of Counselling

Duties and Responsibilities:

- Provides individual and group-based psycho-educational counselling for adult women survivors of childhood trauma and abuse and/or relationship violence
- Maintains accurate up-to-date records, including documentation of all client contacts, case notes and referral records and case consultation notes
- Assists the Manager of Counselling to manage and develop the program, including but not limited to managing waitlist, collecting and reporting monthly statistics
- Attends and actively participates in team meetings, team building and development activities
- Provides support and information to clients to develop and strengthen their support and social network beyond the counselling relationship
- Consults, networks and liaises with community agencies and professionals to maintain up-to-date information on available resources, and to maintain positive community relations and build mutually beneficial partnerships

Skills and Knowledge

- Understanding of and working knowledge of the Family Law Act 2013
- Excellent understanding of violence against women's issues both within dominant and non-dominant cultures
- Strong understanding and commitment to SARA for Women's Mission, Vision and Values
- Firm commitment to working from a feminist perspective, providing women centered, trauma informed and client centered approach and a pro-choice stance
- Comprehensive understanding of social services and resources in the Fraser Valley and how to access them
- Strong listening skills, written and oral communication skills including public speaking skills required
- Demonstrated ability to clearly communicate information to others (i.e. case notes, reports and statistics)
- Demonstrated ability to provide crisis intervention and support for women
- Demonstrated ability to support women through their journey toward healing and independence, through providing individual and group counselling and referrals as needed
- Strong knowledge and experience of providing service to women in an integrated case management team environment
- Demonstrated ability to work with diverse clientele, and cultural competency
- Demonstrated ability to work both independently and as part of a team
- Strong computer skills, including Microsoft Outlook, Office 365, Excel, Online applications, online resource/research skills

Competencies

- Solid and demonstrable work ethic and the ability to work efficiently and with minimal supervision
- Demonstrated ability to take initiative and to work independently
- Commitment to a coordinated team-based approach
- Ability to network and interact well with other service providers, internal and external team members
- Energetic, positive, optimistic, and pragmatic
- Demonstrated commitment to building and sustaining a healthy workplace
- Excellent inter-personal skills
- Able to provide non-judgmental support to both clients and colleagues
- Ability to be adaptive to different situations
- Commitment to ongoing professional development and learning

- Strong time management and organizational skills
- Ability to handle competing priorities and objectives
- Psychological competency as this position may be required to work with clients in crisis

Qualifications

Education and Knowledge

- Bachelor's degree in a related human / social service field.

Training and Experience

- Two (2) years recent related experience. Or an equivalent combination of education, training and experience.
- Experience providing individual and/or group counselling to assist women in understanding and coping with the effects of the cycle of abuse and family violence
- Experience working with mental illness and addictions
- Trauma Informed Care training and experience
- Standard First Aid Certificate
- Non-Violent Crisis Intervention

A clear Criminal Record Check for Vulnerable Populations
